WLCJ Statement following the Release of the Hostages

WELCOME HOME! With the news of the return of the hostages, we pray that this will be a meaningful step toward healing and peace. As we celebrate their long-awaited return, may this moment open a path toward hope, security, and renewed strength for the people of Israel and all who have suffered during this long and painful time.

Maya Krouse

My Journey to JTS

Maya is a first-year Rabbinical student at JTS.

She feels called to pursue a career in the Rabbinate because of a love of Judaism and particular interest in interreligious dialog. In recognizing the power that people of faith have in strengthening each other, she hopes to strengthen Jewish communities by engaging them with communities outside of Judaism. She has a lifelong passion for the Spanish language and more recently Hebrew. Maya hopes that both languages will allow her to engage with a diverse range of Jewish communities. Before attending JTS, Maya was teaching English to elementary school students in Spain. She holds a BA from Occidental College where she studied Politics and Spanish.
